PROFILE

Front-End Developer with 2 year of hands-on experience in building responsive and user-friendly websites using HTML, CSS, JavaScript, and Bootstrap. Proficient in Git and Figma, with a strong eye for design and detail. Contributed to various team-based projects as part of the Microsoft Student Partners (MSP) community and collaborated with clients from Egypt and Saudi Arabia. Actively seeking remote, freelance, or full-time opportunities where I can grow my skills and deliver high-quality digital solutions.

WORK EXPERIENCE

Front-End Developer
Self-Learning & Freelance — JAN 2022 – 2023

- Focused on learning front-end development through practical, hands-on projects.
- Built multiple responsive websites using HTML, CSS, JavaScript, and Bootstrap.
- Gained hands-on experience through continuous self-learning and real-world projects. Built multiple responsive websites

Front-End Developer
Microsoft Student Partners (MSP) — Jan 2023 – Jan 2024

- Completed a hands-on front-end development internship at MSP, collaborating on real-world projects and delivering practical solutions. Enhanced my technical expertise by attending advanced courses and workshops, and gained professional experience in team-based agile workflows.

Freelance Front-End Developer — 2024 - 2025

- Worked independently on real-world projects for clients, mainly from Saudi Arabia. Delivered responsive and user-friendly websites using modern front-end technologies. Continued to grow professionally through self-learning, exploring new tools, frameworks, and improving UI/UX design practices.

EDUCATION

Master of Business ManagementAl-Azhar University – Faculty of Education (English Department)
Cairo, Egypt
Expected Graduation: [2027]
